Allison is having a very busy day at the office. She has done some of the things she has to do today, but there are many other things she hasn't done yet. She has gone to the bank, but she hasn't taken the mail to the post office yet. She also hasn't written her monthly report. She has already met with the personnel officer about her maternity leave, but she hasn't spoken to the boss yet about her salary. She has sent a fax to the company's office in Tokyo. She hasn't read the office manager's memo about recycling. And she hasn't seen the training video about the new computer system. Allison is probably going to stay late at the office today so she can do all the things she hasn't done yet.
