The Best Preparation for Building Academic Reading Skills and Vocabulary

The Reading Key series is designed to help students to understand American school textbooks and to develop background knowledge in a wide variety of academic topics. This series also provides learners with the opportunity to enhance their reading comprehension skills and vocabulary.

Reading Key **PreSchool**

a six-book series designed for preschoolers and kindergarteners

Reading Key **Pre-K**

a four-book series designed for preschoolers to beginning learners

Reading Key **K**

a four-book series designed for kindergarteners to beginning learners

Reading Key **Easy**

a three-book series designed for high-beginner to low-intermediate learners

Reading Key **Basic**

a three-book series designed for low-intermediate to intermediate learners

Reading Key **Core**

a three-book series designed for intermediate to advanced learners

Features

- A wide variety of topics that cover American school subjects
- Intensive practice for reading skill development
- Building vocabulary through school subjects and themed texts
- Graphic organizers for each passage
- Captivating pictures and illustrations related to the topics

Table of Contents

Vol. 3

Chapter 1

Social Studies ★ History and Geography

- Unit 01 Thanks, Thomas Edison • 8
- Unit 02 The First Man into Space • 14
- Unit 03 Storms • 20
- Unit 04 Tornadoes and Hurricanes • 26

Chapter 2

Science

- Unit 05 How Do Plants Grow? • 34
- Unit 06 A World of Insects: Bees • 40
- Unit 07 Amazing Changes: Butterflies • 46
- Unit 08 Birds Are Animals • 52

Chapter 3

Language ★ Mathematics ★ Visual Arts ★ Music

- Unit 09 The Fox and the Crow • 60
- Unit 10 Counting to 100 • 66
- Unit 11 What Do Artists Do? • 72
- Unit 12 Ballet Music • 78

★ Word List • 84

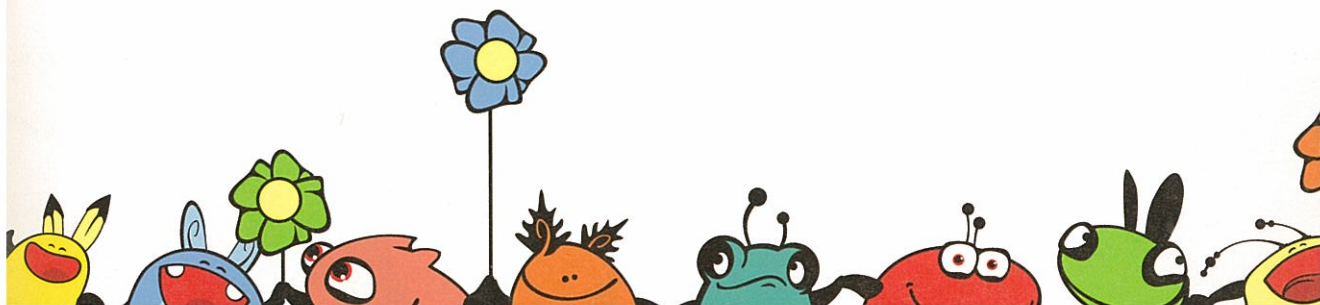

Components

- Workbook for Daily Review
- Answers and Translations
